

Varsling om ændring i medlemskontingent fra 1. januar 2025 (English below)

Kære medlemmer af KTK86,

Vi vil gerne informere jer om, at bestyrelsen har truffet beslutning om at justere medlemskontingenterne fra 1. januar 2025. Efter grundig overvejelse og analyse af klubbens økonomiske situation og sammenligning med tilsvarende tilbud i andre klubber, ser vi dette skridt som nødvendigt for at opretholde kvaliteten og bredden af vores træningstilbud.

Nye kontingentsatser fra 1. januar 2025:

- DKK 2.995 for almindelige medlemmer
- DKK 1.995 for medlemmer under 20 år

Ændringen skyldes stigende omkostninger, herunder højere bidrag til Triathlon Danmark og administrative udgifter. Vi har også udvidet vores tilbud med ekstra træningstider og introduktionen af gravelcykling om vinteren. Derudover er det nødvendigt at justere lønniveauet for vores trænere for at sikre, at vi fortsat kan tilbyde høj faglig kvalitet.

Vi forstår, at en prisstigning aldrig er velkommen, men vi håber på jeres forståelse og støtte til, at disse justeringer er afgørende for klubbens fortsatte succes og stabilitet. Vi har ikke en strategi om at øge medlemsantallet, da vores faciliteter er optimeret til det nuværende antal medlemmer.

For medlemmer, der ønsker at opdele betalingen, tilbydes der mulighed for betaling i to rater den 1. januar og den 1. marts 2025. Kontakt venligst vores kasserer på kasserer@ktk86.dk for at aftale dette.

Tak for jeres fortsatte engagement og støtte til KTK86.

Med venlig hilsen, Bestyrelsen, KTK86

Notification of Changes in Membership Fees from January 1, 2025

Dear members of KTK86,

We would like to inform you that the board has decided to adjust the membership fees from January 1, 2025. After careful consideration and analysis of the club's financial situation and comparison with similar offers in other clubs, we see this step as necessary to maintain the quality and breadth of our training offerings.

New membership rates from January 1, 2025:

- DKK 2,995 for regular members
- DKK 1,995 for members under 20 years

The change is due to rising costs, including higher contributions to Triathlon Denmark and administrative expenses. We have also expanded our offerings with additional training times and the introduction of gravel cycling in the winter. Additionally, it is necessary to adjust the pay level for our coaches to ensure that we can continue to offer high professional quality.

We understand that a price increase is never welcome, but we hope for your understanding and support that these adjustments are crucial for the club's continued success and stability. We are not strategizing to increase the number of members, as our facilities are optimized for the current number of members.

For members who wish to split the payment, there is an option to pay in two instalments on January 1st and March 1st, 2025. Please contact our treasurer at kasserer@ktk86.dk to arrange this.

Thank you for your continued commitment and support to KTK86.

Sincerely, The Board, KTK86
